

# ONE SHOT GEL

## TOTAL WASHROOM CLEANER

**ONE SHOT GEL** is formulated on all natural acids and green surfactants, a combination that has proven to be the least corrosive to all metals yet gives excellent performance. The regular use of **ONE SHOT GEL** brightens stainless steel and porcelain surfaces. **ONE SHOT GEL** has excellent antibacterial properties and incorporates a blend of "natural" organic acids and wetting agents combined with a specially formulated thixotropic agent. The acidic detergency provides a rapid penetration and dissolution of lime scale deposits, uric acid deposits and stains, whilst the thixotropic characteristics ensure that the thickened liquid has an extended contact time by "sticking" to all vertical surfaces. The regular use of **BOWLINE** controls uric acid deposits and brightens stainless steel and porcelain surfaces

### FEATURES AND BENEFITS:

- Highly Concentrated
- Fully Biodegradable
- Contains safe "organic" acids
- Safe on all metals, plastics and porcelain surfaces encountered
- Thick liquid ensures adequate contact on curved and vertical surfaces
- Made From Renewable Resources
- All surfactants made from vegetable origin
- Phosphate Free formulation
- Excellent aquatic toxicity

### DIRECTIONS FOR USE:

#### SHOWER & BATHROOM SCUM:

**ONE SHOT GEL** should be applied neat. Apply to bath or shower, allow a few minutes to penetrate dirt and soap scum, agitate and then rinse off.

#### SINKS, BENCHTOPS & FLOORS:

**ONE SHOT GEL** should be diluted 1 to 10. Apply to surface, allow a few minutes to penetrate dirt, agitate with sponge and then rinse off.

#### TOILETS & URINALS:

**ONE SHOT GEL** should be applied neat to toilet bowl. Direct product inside bowl to completely coat the sides of the bowl and up and under the rim. Allow a few minutes to penetrate dirt, agitate and then rinse off.

Refer to Safety Data Sheet, for more information.

Suitable for use in food preparation areas.

Appearance - Blue/Green Liquid

Fragrance - Characteristic

Ph - 2-3

Pack Sizes - 15lt drums, 5lt drums

Shelf Life - 2 Years
